

CRYSTAL

ACCOUNTING 

# About Crystal Accounting

Crystal Accounting is a professional accounting and auditing firm based in Bangkok, Thailand.

We specialize in providing one-stop accounting, tax, and compliance services for foreign-owned companies doing business in Thailand.

Our team understands that foreign investors need more than just bookkeeping — they need a reliable partner who can bridge language, culture, and Thai regulations with clear communication and transparent service.

# VISION AND MISSION

## Vision

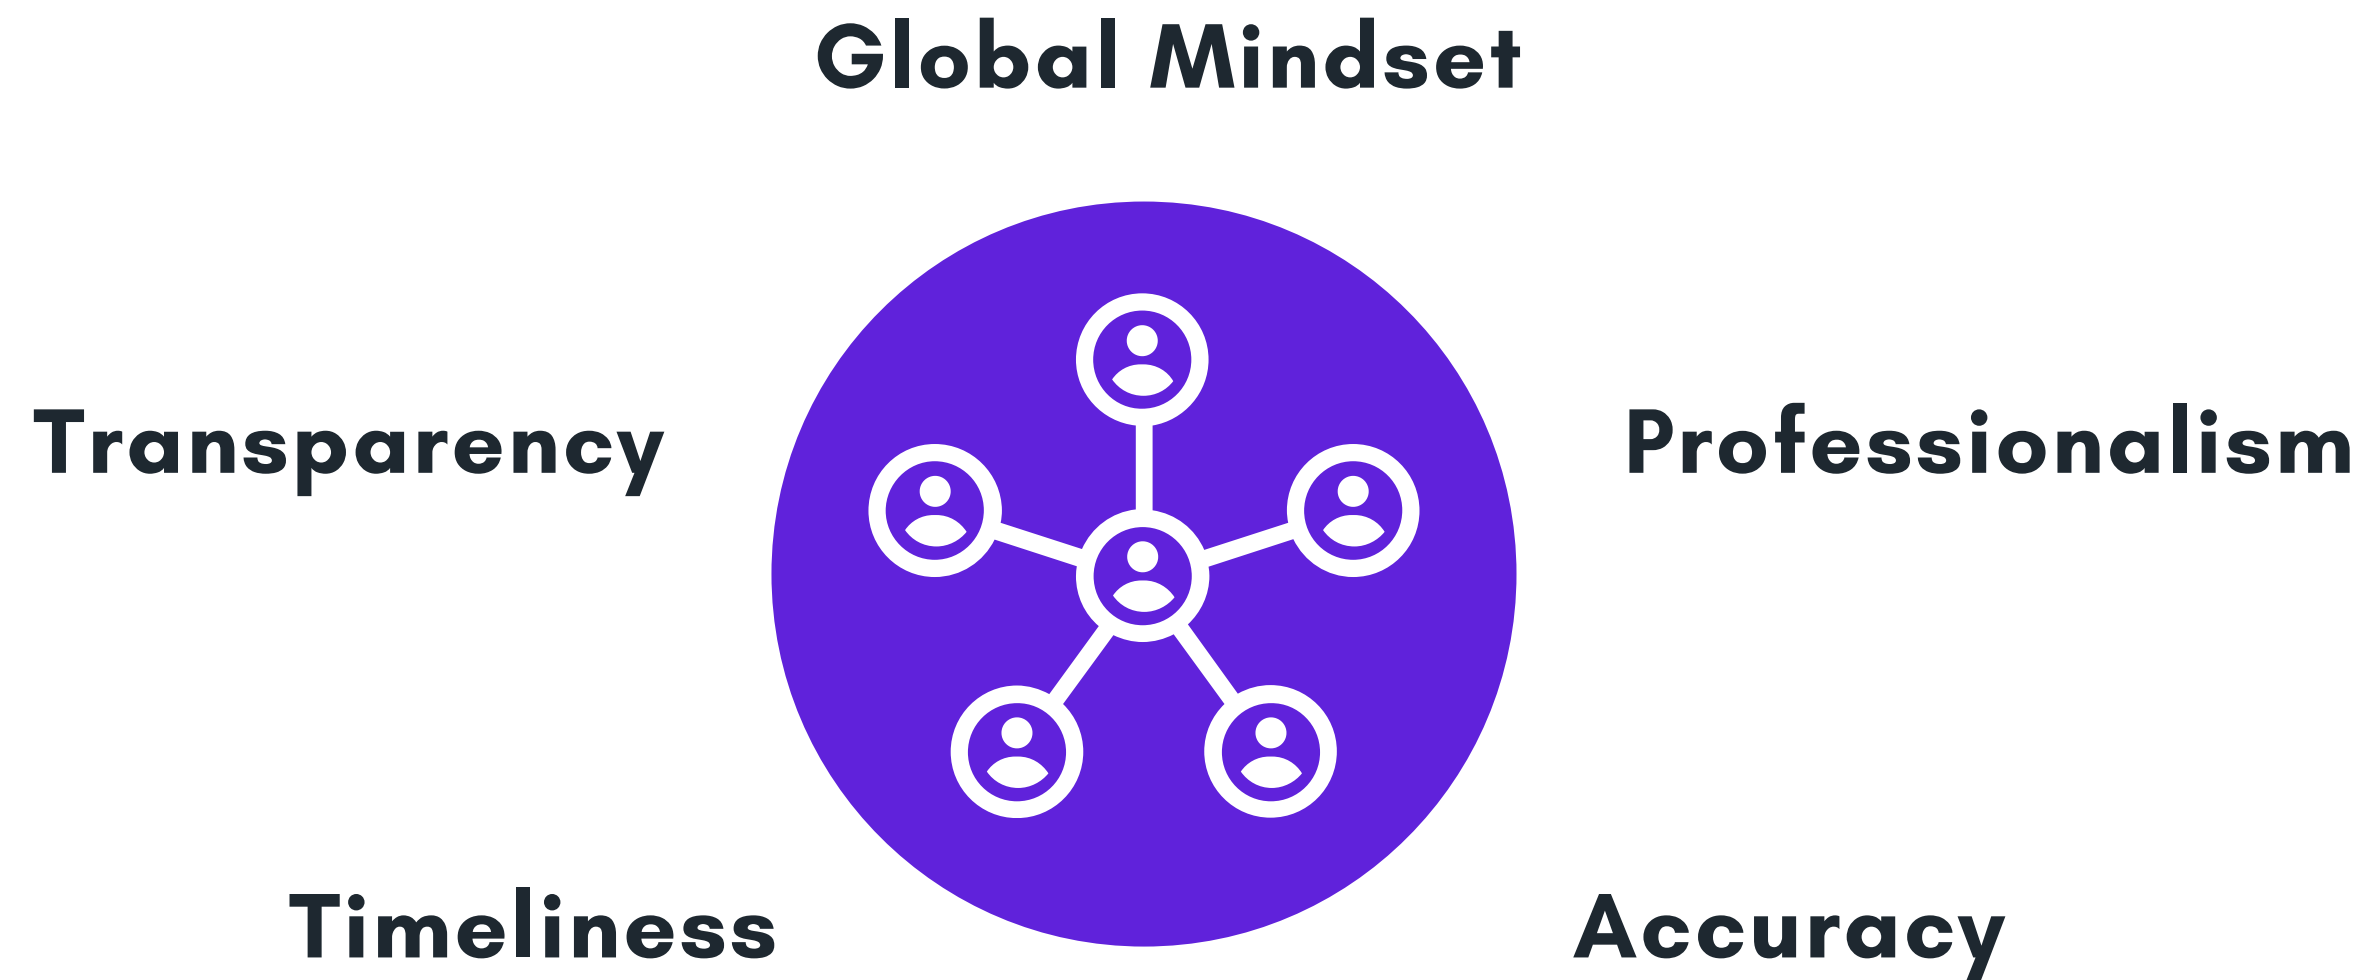

To be the most trusted accounting partner for international businesses operating in Thailand.

## Mission

We simplify complex Thai accounting and tax regulations for foreign companies — providing clarity, compliance, and confidence to help you grow your business in Thailand.

# CORE VALUES

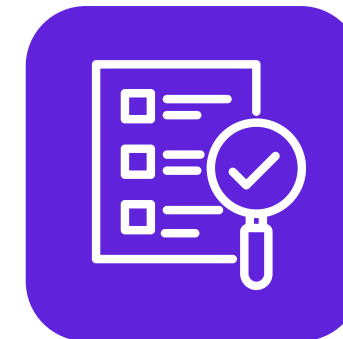

# OUR SERVICES

## Accounting & Compliance

- Monthly bookkeeping (Thai GAAP / TFRS)
- Monthly VAT filing (PP30)
- Withholding tax filing (PND 1, 3, 53)
- Payroll & Social Security (SSO) submission
- Financial statement preparation

## Audit & Assurance

- Statutory annual audit (by licensed CPA)
- Interim audit support
- Audit coordination and submission to DBD & RD

## Tax Advisory

- Corporate income tax filing (PND 50, 51)
- Tax planning and optimization
- VAT registration & deregistration
- BOI compliance and tax incentives advisory

## Company Setup & Assistance service

- Company registration with DBD
- e-Tax invoice & e-Receipt registration
- POS system setup for retail businesses
- FBL (Foreign Business License) advisory

# WHY CHOOSE CRYSTAL ACCOUNTING

## **Fluent English Communication**

We understand your business needs without the language barrier.

## **All-in-One Service**

From company registration to audit and tax submission — everything in one place.

## **Transparency & Fixed Pricing**

Clear, predictable monthly fees with no hidden charges.

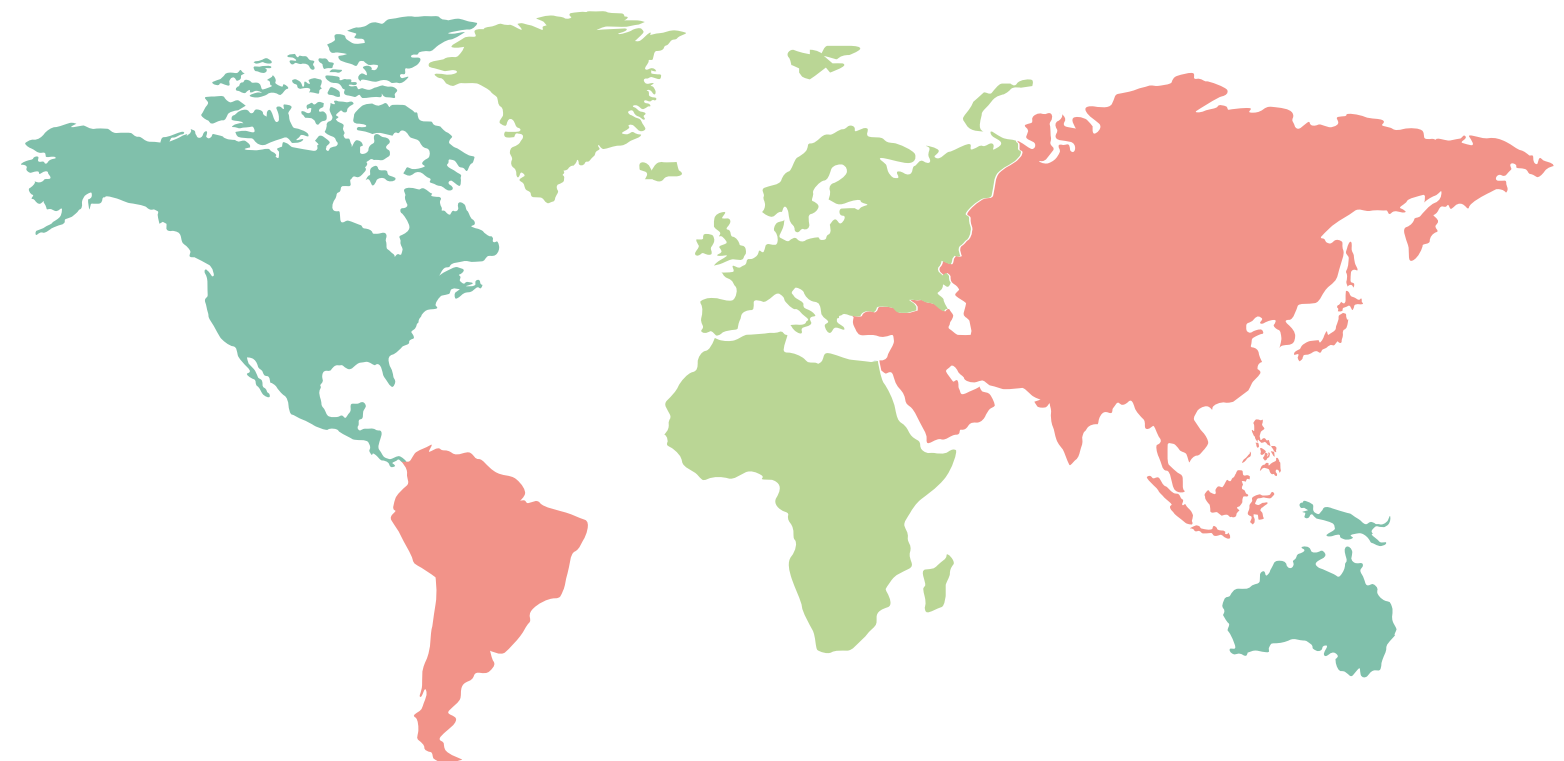

## **Partners' Expertise**

Our partners bring over 15 years of experience in accounting, auditing, and financial advisory services. Previously worked with Big Four international accounting firms, serving both local and multinational clients across a wide range of industries.
